Location, location, location

The PDSC is just a short cab ride from the city of Perth, and on the way to the beaches of Cottesloe, and the famous port of Fremantle. Nearby is the prime shopping and eating suburb of Claremont and just up the road is the magnificent Kings Park Botanic Garden with views over the City and River. Plus there are many other parks nearby, bus routes right out the front, and it's all a quick cab ride from the centre of Perth.

Keep an eye out for the dolphins which regularly chase fish right into the beach off the club...

Rigging Area

The rigging area is large and grassy, on both sides of the club, with ease access onto a sandy beach for launching, with plenty of approach and manoeuvring room. The club is right on the water and it's a lovely safe beach for children... grassed areas are also perfect to sit and watch the racing from.

Carpark and Container Storage

Plenty of car parking right outside the club, although most of us won't need a car. But there's plenty of room for as many containers we can fill, right behind the clubhouse.

The Bar and Food

A pretty nice view! It just begs you to lean over the railing and pass the time of day. There are bbqs on the huge deck for all of us to use when we decide to stay on at the club for dinner, a fully stocked shop will also be available for lunch and after race snacks as well as fully stocked bar available

to service sailors and visitors needs. A "wet" bar is provided to provide refreshments to sailors following a hard day on the water and the whole club is at our disposal for social events
