

The Walpole Regatta in the Trees 2014 took place over the March 1st and 2nd Labor Day long weekend.

Walpole Yacht Club played host to about 70 boats including Windrushs, Mirrors, O'Pen Bics, 125s, and 14 Sabres. Walpole had 1 sailor and East Fremantle 13.

The Wind conditions were light to moderate with flat water and sunshine combined with a stunning backdrop of Karri trees and white sandy beaches where you can watch the racing right on the bay

Quote from Bob Taylor

The final Prize Night was held at the local recreation centre with buses provided to transport competitors and their families to and from the venue.

Apart from the stunning geography of Walpole, even more amazing is the way the whole town volunteers its time and energy to all the visitors.

Most agreed it is the friendliest regatta they have ever been to.

We would strongly recommend you consider booking for next year ASAP.
