The Final Countdown

**When you arrive:
– how to get in**

When you enter the Royal Queensland site the main office is on the left. Business hours are 8.00am – 5.00pm. Please go to the office to obtain a PIN that will allow you to go through the gates. The PIN will activate the gates between 7am & 7pm. There is a large public car park outside the RQ premises where you can park while you gain access, or throughout the regatta if you cannot find a space to park inside the gates. Inside the gates please park only in the designated parking sites. Please do not park on the grass or block thoroughfares.

**When & where to
register for the
regatta**

Registration will be set up in the Sailing Academy room that is nearby the sailing office. Here is a link to a useful [RQ sitemap](#). You can register on the 28th, 2pm to 5pm or on the morning of the 29th, 8.30am to 11am.

**No provision at
registration for
measurement of
sails and foils.**

Please make sure that you have had your sails and foils measured by your state measurer before you come to the regatta.

The “Matrix”

David Waller and Jane Virtue have very generously made available their yacht the Matrix for use as a spectator boat for family and friends of Sabre sailors competing in the regatta. You will be able to register your interest to take advantage of this excellent opportunity to see the racing from the best vantage point on the water! More details will be given at the competitors meeting.

See you at RQYS!
